ALBUM GUIDE

LUXURY LAY-FLAT ALBUMS

Because your beautiful memories deserve a
beautiful, tangible home, not just to remain digital

www.lucylouphotography.com

Hey, it's Lucy

I'm dropping this simple guide, because, let's be honest, albums can get a little confusing.

Why you should consider albums?

Because memories matter. If you want your children or grandchildren to be able to travel in time in 20 or 30 years – this is how. Heirloom albums are the best way to enjoy photography.

What should I know before I dive in?

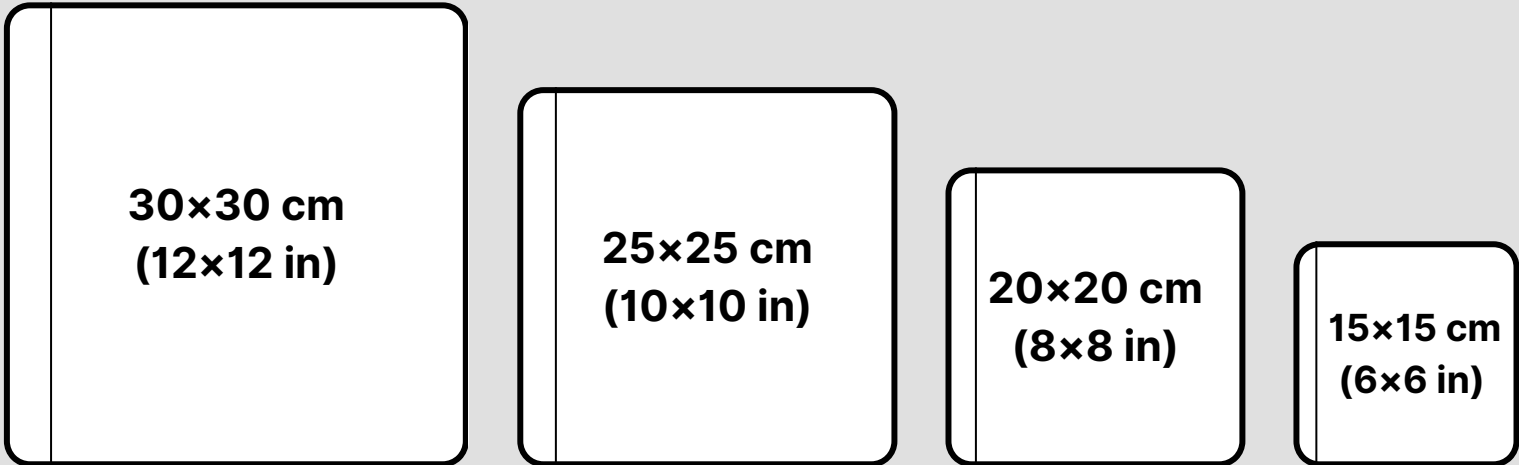

The key information is that albums come in 4 different covers: Selfoss Velvet, Dolomiti Suede, Canary Leather, Cali Natural Linen. All the albums are printed on Fuji Crystal Archive DPII Silk paper.

How do I order?

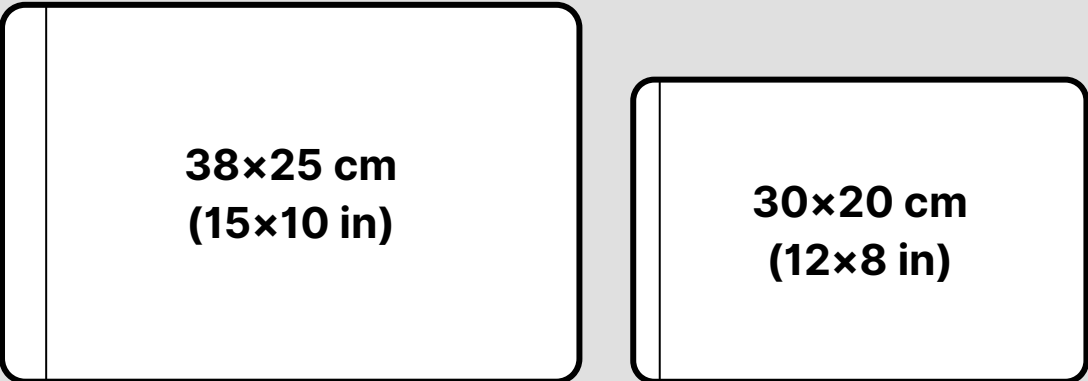

Just let me know and ask for details.

Album sizes

Square

Rectangular

Minimum number of spreads / pages	10 / 20
Maximum number of spreads / pages	40 / 80

Covers

Meet outstanding album types and covers!

Dolomiti Suede

Born from the love of adventure

Kind of like a faux suede, but better.

Soft, smooth, delicate and amazing to touch.

Dolomiti Suede

amazing to touch

Square corners

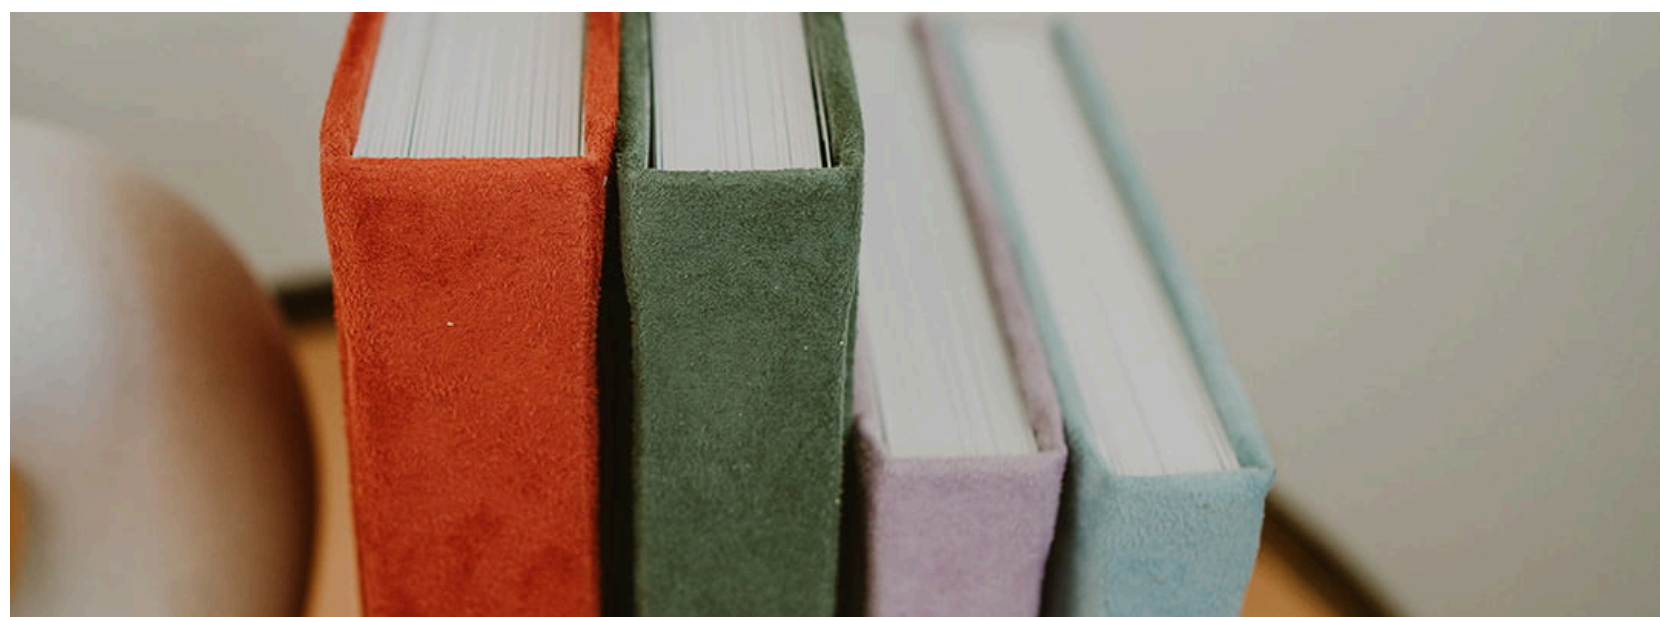

Beautifully finished
square corners

Customizable engraving

Engraving of the cover with
a choice of fonts or your own design

Dolomiti Suede

Selfoss Velvet

Inspired by the moss covered lava of Iceland.

Soft, luxurious, slightly shiny fabric
that makes the album impossible to put down.

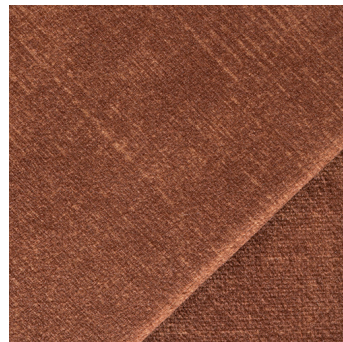

Selfoss Velvet

album
impossible to put down

Rounded corners

Beautifully finished rounded
corners

Customizable engraving

Engraving of the cover with
a Futura font or your own design

Selfoss Velvet

Canary Leather

Inspired by blues and browns of Canary Islands

80% natural leather in timeless, 'vintage' and exclusive form.

Incredible to touch, with slightly aged look and grain effect.

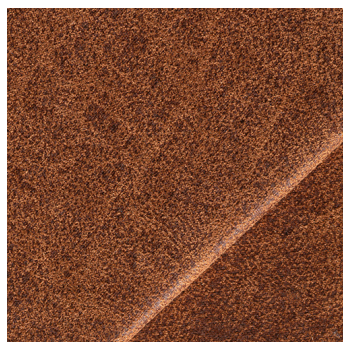

Canary Leather

Canary Leather

Cali Natural

Inspired by Californian dream

Natural, carefully selected, high quality durable linen.

As one of the world's oldest textiles, you can call it a classic.
